## L1 Capital International (Unhedged) Active ETF

L1 Capital International (Unhedged) Active ETF is a high conviction international equities strategy launched in March 2019. The Fund's objective is to deliver attractive, risk-adjusted returns whilst lowering the risk of permanent capital loss. It invests in ~25 high quality companies without the constraints of artificial concepts such as 'Growth' or 'Value', as well as investing in a wide range of companies by size. The team uses fundamental, bottom-up analysis with detailed risk assessment to invest in companies we consider to:

- Operate in well structured, growing industries
- Have durable business models
- Have aligned management with a strong capital allocation track record
- Generate growing free cashflow
- Demonstrate an ability to sustain high returns on invested capital
- Have proactive, favourable ESG policies and practices
- Have attractive capital management policies.

## L1 Capital International overview

L1 Capital International is an independent active manager of global equities. We apply a detailed investment process built on a fundamental assessment of quality and value. We aim to deliver attractive risk-adjusted returns by investing in high quality companies that have favourable cashflow-based valuations in well-structured industries. Capital preservation over the investment horizon is central to our investment philosophy and process. We view risk as the potential for a permanent loss of capital as opposed to volatility in share prices. Additional information on L1 Capital International is available at [www.L1International.com](http://www.L1International.com).
